Alas, 'twas ever thus from childhood a hour. More Artie must needs content himself view- More ing the scenery in street St. Antoine along with Fat Nagle.

GOVERNOR PINGREE, of Michigan, a Republican himself, in an address to working people, poured hot shot into the Republican leaders for their constant efforts to manipulate legislation In the interest of the trusts and comstriking wage-carners that they would Hood's Pills sick Headache. Mountain Drug, Book and News Depot.

The Populist committee made a wise choice in selecting Hev. Laverty for territorial chairman. Mr. Laverty may not be as aggressive as Vincent, but be is not as fickle as Daniels or as asining as Willis, THE LEADER believes be will be a sure enough guiding hand.

murmured: "Perhaps in this neglected of candy just received. spot is laid some heart once pregnant with celestial fire; hands that the rod of empire might have swayed, or waked to centasy the living lyre."

JOHN ALLEN, my Joe, John, transferred his Voice to El Reno for s season in order to unscrew the bung of a barrel of bile. John has not eschewed politics entirely and he doesn't want an encore in his direction when he runs for the legislature again. There's a whole lot in being a defeated

Tus gold excitement at Juneau and Yukon and on the Kloudgke river is wonderful. Great fortunes, it is said. are being made, and gold dust, which is the currency of the country, is as common as sawdust. In one mine on BILL GRIMES has a large block of re- the Klondgke river, it is said, every turning promised prosperity which he shovel of dirt produces an ounce of gold dust.

WHERE PREACHERS FALL DOWN. Not long after the senatorial fight Telephone 23. in Illinois a number of Chicago ministers delivered sermons dealing with the prevailing corruption in politics. The U. S. Gov't Reports The bitter denunciation of modern political methods launched from the pulpits read well, and one is not sur-Jenoz Prizen, candidate, has let out prised to learn that the ministers were his thinking apparatus to Judge heartily congratulated by their parishoners. But it is safe to say that the men who were first to give a hearty amen to the denunciations from the pulpit will be the ones who will forget all about the primaries when the next campaign opens. The trouble with most political reformers is that they become so wrapped up in the work of denouncing abuses that they forget to take any part in the actual work of correcting them. Any experienced theatrical man will tell you that the loudest crities of a show are those who are given passes. It is also true that the men who do most of the monal passes. side of the water since the jubiwhoop all about the primaries when the next that it is believed all England is yet campaign opens. The trouble with the men who do most of the monaing over the corruption to politics are those who are either too busy, too careless, ATTACKS on the fortifications of wo. or think themselves too good to attend the primaries. If polities is a dirty

prosperity and the promised abdica- parishioners and other good citizens tion of Queen Victoria have formed a stay away from the primarles and allow the corrupt professional politiclans to frame platforms and nominate Ir don't look like the free eliver candidates. Talk is cheap, even from cause has any of the elements of dr. the pulpit. A minister may denounce cas in it when the Democracy of the political corruption from Genesis to Revelations, but if he holds himself alouf from the primaries and the polls through fear of soiling the ministerial cloth with the mire of polities, he will a complish position. Old Bay state has swung into line Revelations, but if he holds himself THE next national compaign will be cloth with the mire of polities, he will a complish nothing. One minister at the primaries is worth more in the cleansing of politics than a dozen ministers laurching invective from their pulpits. A great many people cannot see the difference between cara stirrer and the Reed congress and a complish nothing. One minister at the McKinley tariff will be stirred into the primaries is worth more in the sour elabor and the whole outfit cleaning of politics than a dozen at Binghampton, N. Y., on July 5, rying politics late religion and carry-Somehow those spread-eagle spell- ing Christianity-not creed-into polibinders always dive into past issues ties, but there is a vast and vital difference. Some men are bonest in bus-iness because their business associates ference. Some men are honest in bus-Ir was a good thing that poor old demand it, but are dishonest in their Job died before the present national politics because people have come to administration came into power, as look upon dishonest politics with comflictions would not have been proof honest in their business as they are in their politics if they dared. Men of this class are to be feared in business THAT God made man is an acknow- and political circles, and all the pulpit ledged fact by everyone, but that he utterances in Chicago will not do as had anything to do with the present much toward curtailing their power

against them at the primaries. As long as good citizens denounce THE Japs now want a little arbitra. political corruption with their mouths tion to settle their status in Hawaii. and neglect to attend the primaries.
